IT'S THE DAY OF THE

Good Sense
DRESSER

We aim to talk common sense
about clothes—and to sell clothes
that match the talk.

The good-sense dresser does
not talk at "the style." He in-
dicates rather to welcome any new
idea in clothes-making that does
not go to absurd extremes.

The good-sense dresser will en-
courage you to our store. Some of
the offerings will appeal to every
man of good sense he possesses.

The fallacies in the clothes we
sell are

DEPENDABLE

and when applied to clothes the
word "dependable" should not
be lightly used—and is not, in
this store.

Assist Your Rural Carrier.

From a recent count made by ru-
ral carriers in one of the counties
in the State of New York of coins
deposited by patrons in their boxes
for the purchase of stamps supplies,
it was found that each carrier in
the county was collecting an aver-
age of 115 one-cent coins each
week. This average applied to all
the routes in operation throughout
the country would give the enor-
mous total of about 300,000,000 one-
cent coins.

As most of these coins are de-
posited loose in boxes, it is desir-
able that patrons provide them-
selves with stamp supplies in ad-
vance of their needs, and to equip
their boxes with suitable coin-hold-
receptacles. It should be explained
that the picking of loose coins from
boxes not only results in needless
hardship and suffering to carriers
in winter weather, delays the de-
livery and collection of the mails,
but frequently results in actual loss
to the carriers, for if, in collecting
coins from boxes, they drop them
into the snow or on the ground
without recovery, they are required
to replace the amount out of their
own funds.

They Never Fail

That is What They Say About Them
in Farmville, and It Is There-
fore Reliable.

Another proof, more evidence,
Farmville testimony to swell the
long list of local people who en-
dorse the old Quaker remedy, Doan
Kidney Pills. Read this con-
vincing endorsement of that remark-
able preparation:

Mrs. Yetta Levy, High street,
Farmville, Va., says: "For some
time I suffered from kidney com-
plaint and although I used a num-
ber of remedies, I did not seem to
improve. I was troubled by severe
pains through the lower part of my
body and dull headaches annoyed me
frequently. I was finally told of
the merit of Doan's Kidney Pills,
and was so much impressed that I
procured a box at Freear's drug
store. They gave me relief from
the first and I am now gaining
steadily. I know Doan's Kidney
Pills to be a reliable remedy and I
heartily recommend them."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the
United States.

And take no other.

Jan. 19.—Two matters of much

here next week.

On the 25th, court day, a meeting
of the more progressive farmers and
other citizens of the county will be
held in the court house to consider
the feasibility of holding a county
Fair here next November.

Prominent speakers will address
the meeting in favor of such ac-
tion, and it is anticipated that a
large number from the several sec-
tions of the county will be present
to join in the movement.

In connection with such a Fair
the public schools of this county
will make exhibits of corn and other
products raised by the school boys
and of bread, aprons, &c., made by
the girls.

The pupils of the Cumberland
High School will give an entertain-
ment consisting of a beautiful can-
tata play, "The Contest of the Na-
tions," and a farcical trial, "The
Great Pumpkin Case," with school
songs interspersed.

The ladies of the Civic League
will serve oysters and ice-cream in
connection with the entertainment.
The proceeds will be used in pur-
chasing a library for the school and
for other school improvements.

This is a county school, its high
school department being open free
to all the children in the county,
and it is hoped that there will be
a large gathering of people from
all over the county at this entertain-
ment, not only to enjoy the pleasure
of the occasion but to show their
interest in the welfare and pro-
gress of the school.

Constipation causes headache,
nausea, dizziness, languor, heart
palpitation. Drastic physics gripe,
sicken, weaken the bowels and don't
cure. Doan's Regulents act gently
and cure constipation. 25 cents. Ask
your druggist.

"Had dyspepsia or indigestion for
years. No appetite, and what I did
eat distressed me terribly. Bur-
dock Blood Bitters cured me."
